Webinar series: Sustainable and circular bioeconomy

On behalf of the Hungarian Bioeconomy Cluster we cordially invite you to our webinar series, which will be organised in June 2020. The webinars will be organised by the Hungarian Bioeconomy Cluster, with the support of the Ministry of Agriculture, National Research, Development and Innovation Office and the National Delegation of Hungary at the European Committee of the Regions. The aim of the webinars is to present the current status of bioeconomy and the possibilities of the field in European, national and regional level.

The series will consist of three parts and will be organised online. Audience will have the possibility to ask question from the experts.

In case of questions, please contact the organisers at bioeconomy@bazoltan.hu.
